

Autism Spectrum Disorders Parent Meeting
Tuesday May 8, 2012
6:00-8:00 PM
40 West Main St., Room 315
Canton, NY
Agenda

Introductions and Celebrations:

Presentation:

Please note the change in location! This is the new BOCES Building, and we will be meeting at this location from now on!

Our guest presenter this month is Deborah Byrd-Caudle from Parent to Parent. She will be helping to create a Health Care Notebook for your child. Please refer to the attached flyer for details regarding what you should bring.

The Health Care Notebook training will help you create a customized Health Care Notebook designed to meet your family's record keeping needs. It provides a portable record of your child's medical needs which can be updated regularly.

Sharing of Resources:

Please bring something to share- either a book, an article, a toy that your child especially enjoys, or a piece of equipment that you have found helpful. We will take a few minutes at each meeting to share whatever people have brought.

Networking:

Time will be allotted at the end of the meeting for talking with other parents and professionals.

Please feel free to contact me if you have ideas for topics for meetings, and are unable to attend this meeting. Feel free to call if you have any questions or comments.
