District Wide Safety Plan

Page Last Modified: 11/27/2023

Education Law 2801-a requires that "Each Board of Education, Chancellor or other governing body shall make each District-Wide School Safety Plan available for public comment at least thirty days prior to its adoption. Such District-Wide Plans may be adopted by the school board only after at least one public hearing that provides for the participation of school personnel, parents, students and any other interested parties. Each district shall file a copy of its District-Wide School Safety Plan with the Commissioner and all amendments to such plan shall be filed with the Commissioner no later than thirty days after their adoption."

Commissioner's Regulation 155.17 further requires that the District-Wide School Safety Plan be adopted by September 1st each year and that each district shall submit its District-Wide School Safety Plan and all amendments to such plan to the Commissioner, in a manner prescribed by the Commissioner, within 30 days after its adoption.

To comply with the requirement that the District-Wide School Safety Plan be filed with the Commissioner, each school district, charter school and BOCES is directed to post their District-Wide School Safety Plan on the district or charter school website, and submit the web address/URL to the Department below.
