Mr. Finster stated we have four more fire drills and one more lockdown drill that needs to be completed for the 2024-2205 school year.

Mr. Finster is working with Mrs. LaVancha to obtain a quote on a PA system upgrade. There is a possibility this could be part of a capital outlay project. He is looking into the fire alarm system as it is an older system. Mrs. LaVancha is also obtaining quotes for new radios throughout the school.

Mr. Luther stated PIVOT has expressed interest in participating in our Welcome Back to School session at the beginning of the school year by setting up a Hidden in Plain Sight display for parents.

Respectfully submitted,

Jolie Snider, Secretary to the Superintendent
