## MEMORANDUM

**To:** Board of Education  
**From:** Eric Luther  
**Date:** 5/9/2025  
**Re:**

---

We are nearly complete with the Grades 3-8 NYS exams in ELA, math and science. These should be completed within the next 2 weeks. We have had a handful of test refusals (opt outs) but not enough for us to be identified by NYSED.

5-Week Progress Report grades/comments will be coming out next week.

Staff have started to prepare for NYS Regents Exams as well. Review classes have been posted and will continue to be updated to provide extra help for the students looking for as the June exams approach.

The Senior Trip will be leaving Harrisville on Friday, May 9<sup>th</sup> at 11 p.m. I will be catching up with them on Saturday night in Virginia Beach. I previously met with 3 seniors and their parents who were struggling academically. I reviewed their progress on Wed. of this week and all three of the students had their grades up to be able to qualify for the trip which is great! It should be a great experience for the kids!

In athletics, baseball/softball season will be wrapping up soon. Both the boys and girls are having a pretty successful season and are awaiting their seeding for sectional play. It has been incredibly difficult to be consistent however with the unpredictable weather we have been having. Games are being changed almost daily and we are cramming games in which makes it difficult to coach and manage.

In CSE, we have a couple more days of meetings and we will have all of the annual reviews completed. We have also been working with a couple of younger students and their families as we have had PreK registrations and there are a handful of kids who have been identified as possibly needing extra services. I have been in contact with some of them and am working on getting the evaluation process started through the various counties and agencies.
