January 5<sup>th</sup>, 2026

Dear Guidance Counselor,

The St. Lawrence County Trappers Association has decided to award three \$500.00 scholarships to High School seniors and St. Lawrence County residents who will be attending college in a natural resource management related curriculum.

We are asking you to select a few candidates from your school and have them fill out the attached application. Although there is no criteria that addresses the question of fiscal need, we would ask that you would consider need when you make your selection. The application should be returned no later than March 31<sup>st</sup>, 2026 to the St. Lawrence County Trappers Association at POB 148, Canton, NY 13617-0148.

Feel free to include additional information that you feel is necessary. The Directors will make a decision at our April meeting. A check will be sent to the students after successful completion (2.0 GPA) of the first semester of college, and enrollment for the second semester has been submitted to us.

If you have any questions please contact Rex Tuthill 315-229-2828.

Sincerely,

Rex Tuthill  
Secretary/Treasurer  
St. Lawrence County Trappers Association
