AIS/RTI Intervention Plan K-12

2026-2028

Academic Intervention Services (AIS)

Academic Intervention Services (AIS) means additional instruction which supplements the instruction provided in the general curriculum and assists students in meeting the NY State Learning Standards. Academic Intervention Services are intended to assist students who are at risk of not achieving the NY State Learning Standards in English language arts, mathematics, social studies and/or science, or who are at risk of not gaining the knowledge and skills needed to meet or exceed designated performance levels on state assessments. Academic Intervention Services shall be made available to English Language Learners and students with disabilities. In the case of AIS being provided to students with disabilities, services will be provided on the same basis as those provided to non-disabled students, as long as those services are consistent with the student's individualized education program.

Academic Intervention Services includes two components:

- Additional instruction that supplements the general curriculum
- Student support services needed to address barriers to improved academic performance

Academic services will be provided to students in English language arts and mathematics in grades K-12 and social studies and science in grades 4-12. Support services will be provided to address barriers to increased academic performance related to attendance, behavior, family difficulties, health issues, lack of study skills, and transition or mobility issues.

Response to Intervention

Effective July 1, 2012, all school districts in NYS must have an RTI program in place as part of its evaluation process to determine if a student in grades K-5 is a student with a learning disability in the area of reading. The decision as to whether a student has a learning disability must be based on extensive and accurate information that leads to the determination that the student's learning difficulties are not the result of the instructional program or approach. RTI is an effective and instructionally relevant process to inform these decisions. NYS Regulations define RTI as a school district's process to determine if a student responds to scientific, research-based instruction, which minimally must include:

- Appropriate instruction delivered to all students in the general education class by qualified personnel.
- Screenings administered to all students for the purpose of identifying those students who are not making academic progress at expected rates.
- Instruction matched to student need with increasingly intensive levels of targeted intervention and instruction for students who do not make satisfactory progress in their levels of performance and/or in their rate of learning.
- Repeated assessments of student achievement which should include curriculum-based measures.
- Written notification to the parents regarding the nature and scope of interventions.

AIS/RTI Procedures

- At the end of the year the teachers identify students for AIS based on a number of criteria because the student is at risk of failing to meet the State learning standards.
- During the summer the principals with the guidance counselor and reading teachers decide who will receive
- AIS by reviewing students' results on the identified multiple measures and teacher, Grade Level Team and MTSS Team (IST) recommendations. The AIS Eligibility Lists are reviewed at the beginning of the school year.
- Principals can assign students to AIS or discontinue service at any time it is needed as advised by the Grade Level Team or IST.
- The principals will oversee the implementation of the parent notification requirements.
- The RTI process is used in K-5 Reading to identify students that need to be referred to CSE. The process and responsibilities are outlined in the attachments.

AIS Instructional Needs

Eligibility for AIS: Identification for AIS and intensity of service is based on multiple measures for each grade and subject area: Grades K-12 ELA and math, Grades 4-12 social studies and science. Students are identified for AIS at the Tier I – III level if they:

Tier 1: Monitoring	Tier 2 – Moderate Risk	Tier 3 – High Risk
<ul style="list-style-type: none"> ▪ Lack skills needed to maintain/monitor his/her own academic achievement (e.g., organizational skills, listening skills, test-taking skills, etc.) ▪ Grades K-8: performing at or below a median cut point score between a Level 2/partially proficient and a Level 3/proficient on the NYS Assessments and/or do not meet one of the benchmark criteria ▪ Grades 9-12: score below proficiency on the NYS Regents and/or do not meet one of the benchmark criteria 	<ul style="list-style-type: none"> ▪ Are inconsistent in demonstrating expectations of grade level. Consistently lack some specific skills that are required for satisfactory performance. ▪ Grades K-8: score a low Level 2 below specified scale score on NYS Assessments and/or do not meet two of the benchmark criteria ▪ Grade 9-12: score below proficiency on the NYS Regents and/or do not meet two of the benchmark criteria 	<ul style="list-style-type: none"> ▪ Are potentially at-risk of not achieving the New York State Learning Standards and/or meeting graduation requirements. ▪ Grades K-8: score Level 1 on NYS Assessments and/or do not meet at least two of the benchmark criteria. The measure used, as well as degree of discrepancy is taken into account. ▪ Grades 9-12: score below proficiency on the NYS Regents and/or do not meet at least two of the benchmark criteria. The measure used, as well as degree of discrepancy is taken into account

Exiting AIS: Based on multiple measures

It is determined that a student is achieving the standards if they have:

- Achieved proficiency on the content area NYS assessment and/or
- Achieved the benchmark criteria on two or more of the multiple measures outlined above

AIS/ RTI Criteria

Subject and Grade	Multiple Measures	Benchmark Criteria
All subjects K-12	Student Attendance	High rate of absenteeism may be related to academic difficulty.
	Teacher Recommendation	Comments from teachers are considered in overall evaluation.
ELA K-6	Classroom Average	Grades K-6: Level 3 or 4
	NYS ELA Assessment: Grades 3-6	Level 3 or 4
	LETRS	Benchmarked three times a year. Progress monitoring conducted for students not achieving the benchmarks.
	Acadience K-4	Benchmarked three times a year. Progress monitoring conducted for students not achieving the benchmarks.
	i-Ready ELA K-6	Benchmarked three times a year. Progress monitoring conducted for students not achieving the benchmarks.
	Open Court K-5	Benchmarking
	Easy CBM	Benchmarked three times a year. Progress monitoring conducted for students not achieving the benchmarks.
ELA 7-12	Classroom Average	65%
	Final Exam	65%
	NYS ELA Assessment: Grades 7-8	Level 3 or 4
	i-Ready ELA Grades 7-8	Benchmarked three times a year. Progress monitoring conducted for students not achieving the benchmarks.
	English Language Arts Regents at Grade 11	65%
	Open Court Extension 6-8	Benchmarking
Math K- 6	Classroom Average	Grades K-6: Level 3 or 4
	NYS Math Assessment: Grades 3-6	Scoring level 3 or 4
	i-Ready Math Grades K-6	Benchmarked at least three times a year. Progress monitoring conducted for students not achieving the benchmarks.
	Eureka Math Squared	Benchmarked at least three times a year. Progress monitoring conducted for students not achieving the benchmarks.
Math 7-12	Classroom Average	65%

	NYS Math Assessment: Grades 7-8	Level 3 or 4
	i-Ready Math Grades 7-8	Benchmarked at least three times a year. Progress monitoring conducted for students not achieving the benchmarks.
	Algebra and Geometry Regents	65%
Social Studies 4-12	Classroom Average	Grades 4-6: Level 3 or 4 Grades 7-12: 65%
	Final Exam: Grades 7-9	65%
	NYS ELA Assessment Grades 4-8	Students who score at levels 1 or 2 on the assessment at Grade 4-8 will be identified to determine whether their performance on the assessment is attributed to difficulty in areas of Social Studies content or reading and writing.
	Global History and Geography Regents	65%
	United States History and Government	65%

Notification of AIS/RTI Services

- District notification letter to include:
 - dates when service will start
 - reasons why student needs AIS.
 - subject area(s) identified
 - results of multiple measures
 - summary of services to be provided
 - student support services to be provided
 - frequency and intensity of service
 - expectations of students in relation to grade level performance
 - consequences of not achieving expected performance levels

- Additional notification required for RTI reading grades K-6
 - strategies for increasing the student's rate of learning; and
 - the parents' right to request an evaluation for special education programs and/or services

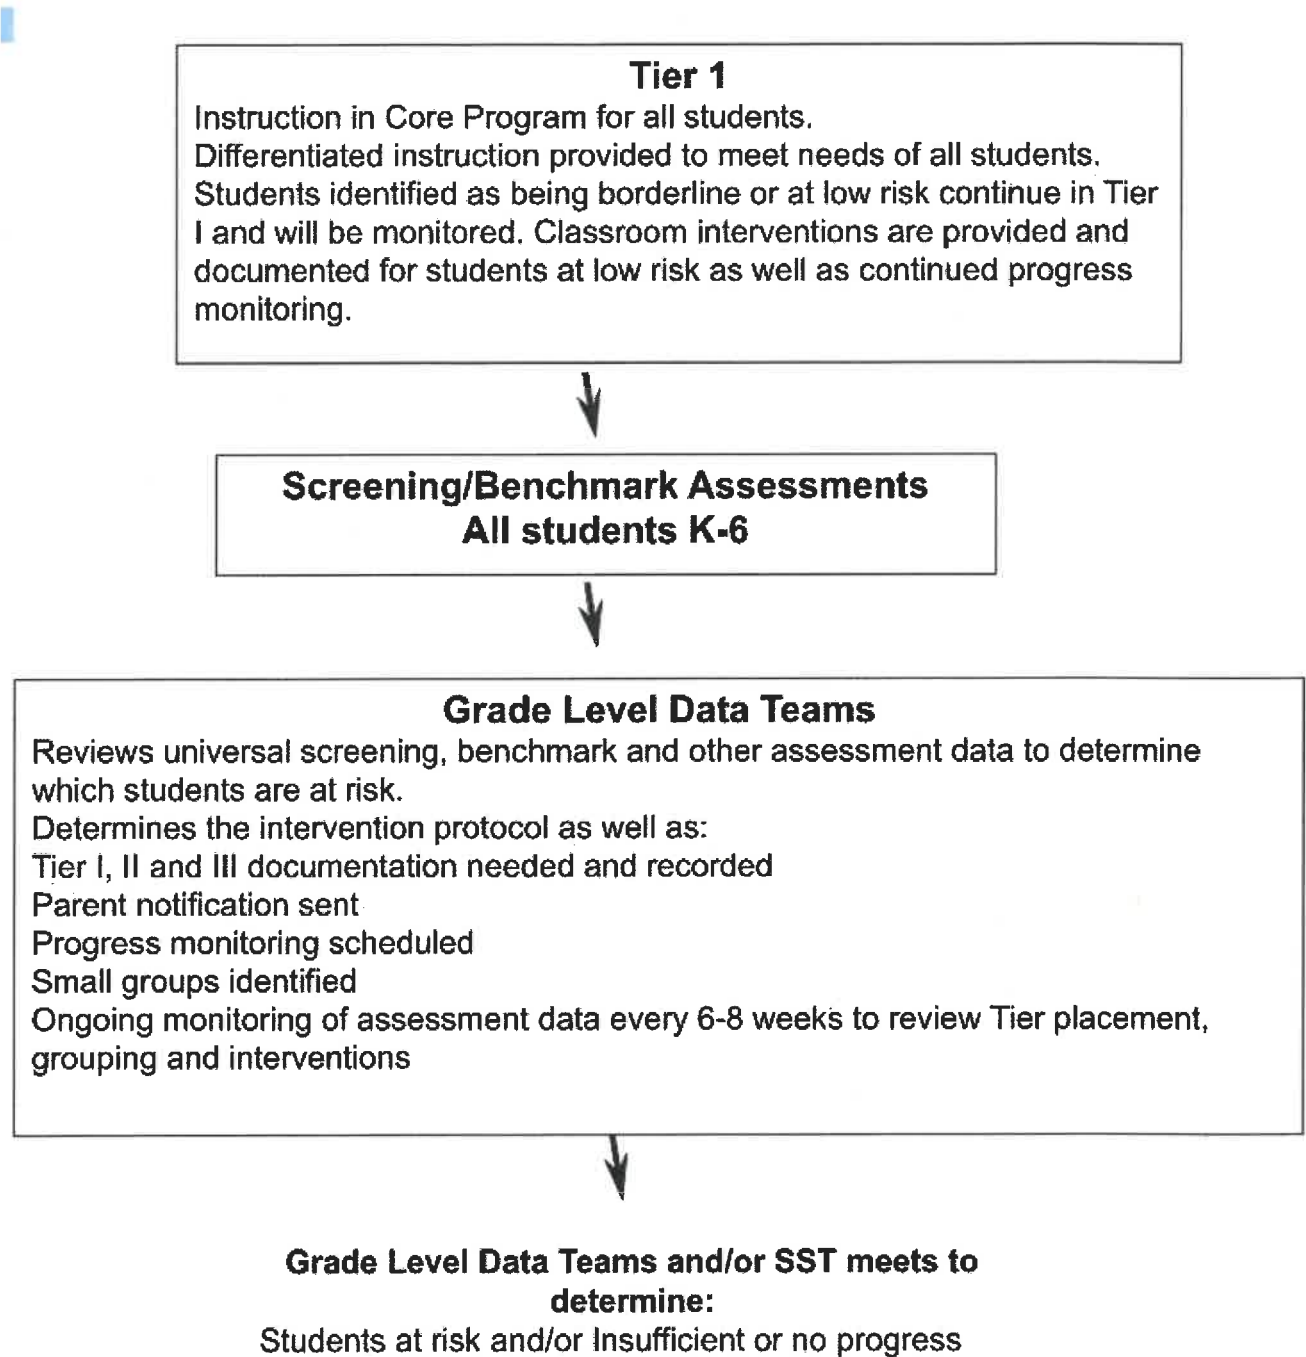

Notification of End of AIS/RTI Services

- District notification letter to include:
 - when services are to be discontinued
 - overview of student's progress
 - performance level student has attained to qualify for ending AIS (results of multiple measures)
 - assessments used in determining students' levels of performance

Ongoing Communication

- Fall/Spring teacher conferences
- Quarterly reports
- Phone calls
- District and Title I newsletters
- District website
- SchoolTool parent portal
- Emails to parents
- Parent conferences or other informal consultations each semester
- Suggestions for working with students at home
- Parent Square
